	# of 10ft x 10ft Booths needed	Total Fee:
Food Truck or Trailer	_____ x \$70	_____

Please make sure you allow for your trailer hitches, door entries, etc. when measuring for your booth space size - if your trailer is 10ft - most likely the hitch is another foot or more and you will require 2 booth spaces at that point. If your rig is 25 feet, you will need 3 booth spaces, etc. Not reserving the correct # of spaces impacts the position of ALL other participating vendors! We CANNOT "shift down" every other participating vendor the morning of the event because not enough space was reserved for your setup .

We plan to again have a food court and it will most likely be located in the same general area as 2019 (see Vendor Information 2020 page)
